www.rockymountainchess.com

Local chess instructor and organizer Lee Simmons is offering instructional workshops for a limited number of applicants at the **Colorado Springs Chess Center, 308 W. Fillmore Suite #30, Colorado Springs, Colorado 80907**. These workshops will be taught with the same commitment to excellence that private students, group classes, tournament players, and their families trust and expect from Lee Simmons. While these classes provide second to none chess instruction, the student can also expect to grow in critical thinking skills as well. These skills WILL positively impact other academic, competitive, and business ventures.

Colorado Springs Chess Center Workshops are taught by:

LEE SIMMONS

- National Expert
- Over 30 years experience teaching chess
- Local, full time chess instructor
