The Colorado Springs Chess Center is pleased to announce our fifth annual Chess Camp of Colorado Springs. Organized and operated by Lee Simmons, this camp embodies the same commitment to excellence Colorado Springs chess players and their families trust and expect from Rocky Mountain Chess.

Each year, scheduling conflicts can prevent students who wish to attend from doing so. We also receive many comments from campers and their parents who wish the camp were longer. This year, we are running the Camp for two weeks to accommodate all of these issues. The first session will run from June 13-17, 2011. The second session runs from June 20-24, 2011. Campers may attend full or half day sessions for either session, or both sessions. All sessions shall study different material for a complete learning experience. Students can progress from one skill level class to the next.

Regardless of whether you are new to the game, a regular player in the Colorado Springs Scholastic Chess Series, or just visiting the Springs, this camp offers the best opportunity to enjoy chess and improve. The Chess Camp of Colorado Springs is not just a chess camp—It is THE chess camp in Colorado Springs. We provide beginning, intermediate, and advanced instruction second to none. You provide the desire to enjoy chess and improve. That is the winning combination.
